

2015 Women in STEM Research Symposium

Total Score: _____

Poster Presentation: Judge's Score Sheet

Judges: Please mark the appropriate score (0-10) in the corresponding blank provided on the left.

Then, sum the left column. Each section has only one score (0-10). Please add your comments on the back.

Section/Score	0 or 1 (Very Poor)	2 or 3 (Poor)	4 5 or 6 (Acceptable)	7 or 8 (Very Good)	9 or 10 Exceptional
Research Goal(s), Hypotheses, & Background Score: _____	Purpose not stated	Purpose is not relevant	Purpose is moderately relevant	Purpose is relevant	Purpose is extremely relevant
	Unclear hypotheses or goal(s)	Questionable hypotheses or goal(s)	Hypotheses/goal(s) are somewhat logical	Logical hypotheses or goal(s)	Goal(s)/hypotheses stated clearly & concisely
	Minimal background	Background given but not relevant	Background is somewhat relevant	Sufficient background, complete & concise	Background is relevant & summarized well
Methodology & Experimental Design Score: _____	Not presented	Not relevant to research goal(s), poor design	Somewhate relevant to goal(s) & appropriate design	Relevant methodology & design was done well	Extremely relevant methods & highly appropriate design
Results & Conclusions Score: _____	Misleading data or conclusions	Not enough data presented to address hypotheses	Adequate data presented	Substantial amount of data; clearly addresses hypotheses	Data use could not improve any more
	No practical implications	Unclear conclusions & implications	Average conclusions; expected practical implications	Conclusions presented logically; very practical implications	Clear conclusions, relevant, & logical; highly practical implications supported by findings
Knowledge Score: _____	Not able to answer judges' questions	Difficulty answering judges' questions	Answers some judges' questions, but some difficulty	Answers most judge's questions adequately	Answers all judges' questions clearly
Poster Presentation & Aesthetics Score: _____	Very poorly laid out; multiple typos	Poorly laid out; some typos	Acceptable lay out; few typos	Good lay out; no typos	Exceptional lay out; no typos
	No tables/graphs; vast improvements needed	Some tables/graphs; some improvements needed	Clear tables/graphs; acceptable	Clear tables/graphs; little improvement needed	Very clear tables/graphs, no improvements needed
